Louisiana Federation of Republican Women

October 2003

Dear Friends,

The next few weeks in our gubernatorial campaign are critical. We have seen the Louisiana Federation of Republican Women in action and we know, firsthand, what you can do. Each and every one of you has a very important part to play in the success of the upcoming election on November 15, 2003. Success will not be possible without your involvement.

Please call your local **Jindal for Governor** headquarters and volunteer to help. Talk to your family, friends and neighbors about our candidate, Bobby Jindal, and be sure they vote.

As Bobby recently told a crowd, "We have enough votes to win this race today. All you have to do is exercise your right to vote!"

Please help us to be victorious on November 15. Call your local **Jindal for Governor** headquarters and volunteer now!

Sincerely,

M.J. "Mike" Foster, Jr.

BATON ROUGE: A new independent poll issued by Verne Kennedy of Marketing Research Insight of Pensacola, FL shows Republican Bobby Jindal with a commanding 11 point lead over Democrat Kathleen Blanco. Republican Party of Louisiana Charman Pat Brister is concerned that the new poll numbers might cause Blanco's campaign to launch more negative attacks as an act of desperation.

"We are worried that these new poll numbers will cause Kathleen Blanco to turn up the heat on her negative attacks. We are also worried that her campaign might become desperate and try anything to knock Bobby's poll numbers down," said State Republican Chairman Pat Brister.

"This is the politics of the past and we certainly hope that Kathleen will stop these attacks and keep this campaign focused on the issues," Brister added.
